Mr. Herbert M. Mueller, age 65, of Alpharetta, Georgia passed away peacefully Tuesday, November 30, 2022 along-side his wife and daughter. Herb was born on July 18, 1957 in Manhattan, Kansas, the son to the late Barbara and Herbert Mueller.

Herb met the love of his life, Cathy, at a young age and they were happily married for 42 years. They were blessed with two children, Erin and Blake, son-in-law, Matt and two granddaughters Sadie and Caroline. Anyone who spoke with Herb, knew instantly how proud he was of his family. He was an incredible husband and father, and loved being a grandfather "Buster". He cultivated strong relationships along the way and considered many others in his life as family.

Herb thrived in competition. Whether in sports like tennis and golf or recreation such as pool or chess, he valued the nature of a game, the comradery competing provided and loved being part of a team. Some of his greatest relationships were made on the tennis courts where he made a name for himself as a great player and a supportive partner.

As a professional, Herb had an impressive career full of accolades and achievements. His drive and determination led him to be CFO of three different public companies. His proudest professional achievement was as a leader and mentor where he helped grow and mold the careers of countless individuals. He had a gift of seeing the potential in others and giving them the confidence to tap into their strengths. Herb's greatest joy was seeing those

“ *Herb also had a sister Michelle and her son Jamie with his two kids. We loved him very much and miss him everyday. It is lovely to be able to read the memories of people who have written her about my dear brother and how much he was loved as we approach the third year of his passing.*

He was a good man and we loved him.

“ Memories

Herb Mueller- We will miss you!

I am proud to have been a good friend of Herb and will never forget some of the great memories and incredible person he was!

There are few memories of the 8 years we lived in Alpharetta that did not include Herb and Cathy. It was a time when we all had children the same age. We all moved to Oxford Lakes within a year of each other with many of us traveling while our families raised collectively with great friends. Herb & Cathy were closest friends.

I got to know Herb best on the tennis court. We started playing together, fighting to be 'king of the court' for Oxford Lakes. We had some great single battles. Eventually we settled in playing doubles on our Oxford Lakes ATLTA Team. Playing doubles with Herb was one of my greatest tennis experiences over my 50 years of tennis.

Herb was a math guy and kept me updated on our win ratios. As I recall the last one was around 90.1% while he averaged giving up about 15 years to our opponents. His attitude at each match was not whether we were going to win, but how... and he meant it. One of the best wins was against two 25 year-old's that played together in college. They kept looking at us like you guys are not supposed to beat us.

Herb was a very strategic competitor and expected great execution. I remember comments such as "I need a serve about a foot inside X's backhand.". His smile was incredible, when I hit the right shot or we had a great point, he would just give me a casual smile which I remember to this day. His reminder that we were there to win was always around- a loud "Druffel!" meant get your act together. Our partners always thought we were angry with each other. For Herb and me it was part of our language because we trusted each other.

Cathy was also partners with my wife Margie and used to watch

Cathy & Margie's doubles matches. Herb was pretty darn smart, but ... commenting on their matches were not the smartest moves we ever made.

Herb had an incredible intellect but had the added special strength of being a personal and a caring friend. Herb and Cathy were always our first call if we needed anything. I remember calling Herb on a couple of occasions needed help around the house, he would drop everything and be there in 5 minutes or less. I was out of town a lot and Margie called to find a home in a basement during a tornado and they were always there for us.

We can never imagine having better friends than Cathy & Herb.

*We will miss you, Herb!
