“ So many memories of our friend Rock. What a man, a gentle man & good friend & always had something good to say about everybody. I remember lots of fun times from the annual Pig Jigs, to the Christmas parties & the wedding (boy was it cold too & what an event). One memory that I remember, not sure where it was, but I remember Rock telling me something crazy like “you get it, you enjoy yourself & you enjoy people & you party & have fun” & me saying something like ‘friends & people like you make me this way.’ We love Rock & Steve. RIP friend & until next time...
