“ *Herschel was my buddy. He came into CVS he called me ALABAMA and asked me all the time how's Momma meaning my mother. I loved him so much and his wife as well. They both meant the world to me. I am no longer at CVS but I know our other employees will truly miss him like Jeff. I am so very sorry to hear this news. Jeff called and told me that he had passed. He is a much better place than we are and one day we will meet him again.*

“ *Hershel was the best part of my mornings for many years at the Waffle House on McFarland and 400. He loved to talk about Chipper Jones and the Braves during baseball season and the Bulldogs during football. He grew up on Old Alabama Rd on a farm. Did you know that farms didn't have grass in their front yards way back then, they were plain dirt! He told me about growing corn and feeding pigs and how his moma cooked 25 biscuits every morning. I wish I could remember all the stories he told me. I wish I could here just one more. He became an army vet, a passionate baseball player and great husband and father and he will always be my hero. I loved you Hershel I will miss you very much! Brenda I will pray for the lord to bring peace to you, James, other family and all souls that were lucky enough to know him.*
