“ *Hugh was the first purchasing agent hired by Camelot in 1976 and remained in that position until Bunzl acquired Camelot in June of 1992. We became friends in 76 and Hugh helped me work out many very profitable deals for me, Camelot and my customer. I will miss my friend from days gone by. Geno*

“ Hugh Dorris and I met in 1980. I was a Region Manager with Duro Bag Co. Hugh and I hit it off and he started buying our products. We had basically no business to speak of in the Southeast. When he put us in Camelot, we suddenly had a large presence in the Southeast. We have remained friends through out our years in the paper business. I cherish his friendship and will miss having dinner with him at Mom and Dad's in Valdosta. Rest easy ole friend, you are finally home, where those who "know" the Master will soon be forever to rein with Him forever! Don and Jackie Cheshire.
