“ *Saying goodbye to my Uncle. Uncle Sonny was a great man, he will be missed by so many and was loved by all. Praying that the Lord will comfort our family as we lay him to rest today. All my love to my family and may the Lord bless us today with comfort and peace in knowing that he is in a better place, a place where we will all see him again, with that silly grin on his face. I love you Uncle Sonny!##imported-begin##Tonya Hause##imported-end##*

“ We've worked for many years and sat side by side at our favorite place "Underground Alpharetta." There will always be an empty space where you belong.

“ Saying good bye to such a dear friend is so hard. We've known each other since 1964. We shared a love for the American Legion Family, many, many friends from Alpharetta scattered all over and a special love for the Oakland Raiders. I think instead of saying "good bye" I'll just say, "see you again" because I know I will. I love you, Sonny.
