August 15, 1983 - August 10, 2023

It is with profound sadness that we announce the passing of our dear son Hunter Davies Johnson. He passed away on August 10, 2023. He was 39 years old. Hunter was born on August 15, 1983 to Dan and Harriett Johnson. He spent his entire life in Roswell, Georgia. Hunter graduated from Roswell High School. After graduation Hunter attended Georgia Perimeter College for a while and then enrolled in the University of Georgia. Hunter was a senior in the Terry School of Business when he left school. He was one course away from his BBA Degree. Hunter played most all sports growing up but he excelled in baseball. His talent was recognized early on and he was recruited to play on some of the very best travel baseball teams in north Fulton county. He was a tall lanky left handed pitcher and earned a varsity letter playing for the Roswell Hornets. Hunter grew up in the United Methodist Church and was recently attending Roswell United Methodist Church with his parents. Hunter enjoyed the outdoors and was a very good fisherman. He looked forward to trips to the family farm and lake in Paoli, Georgia. He was also an important member of his brother Rob's dirt late model race team.

Hunter had enormous potential in many areas but addiction prevented him from reaching most of his goals. He was a kind and loving person who was always thinking about others. He was loved by many friends and family. He loved The Lord.

“ *Hunter. I don't know where to begin. I received peach roses a few days ago, and it instantly made me think of you. Somehow you remembered they were my favorite even though I had mentioned it randomly in passing. That was you. You were always so good with the smallest details and you made everyone feel so special, you will always be the king of kindness and sweet gestures... I didn't get the hint though. And then last night you came to my dreams and it was like no time had passed, the warmth of your spirit hit me like sunshine. As soon as I opened my eyes, I looked you up and found the news I never ever wanted to find. You were my very first love, first real boyfriend, and best prom date a girl could ask for. You taught me what real love should be. We had our trials and tribulations, but Hunter, I will never ever forget the magnanimous love you brought into my life. Never ever. I will love you forever and I'm so sorry I couldn't understand your pain. It's a pain I will have to learn to live with but I know your forgiveness and generosity knows no bounds— it never did and I hope you can forgive me for what I didn't understand.*
