“ *Dearest Family, I really wish i could have joined you this evening to say goodbye to a great father, husband, son and friend. Although I never personally had the chance to meet him, knowing you and your children, I know he must have been a good man. Losing my husband just a few short years ago, was heart breaking for me as well. I could not bring myself to walk through the doors. I knew I would have been a mess and I didnt want to upset anyone. Please kow I love you and the family. I will continue to pray for you. Know he is in a better place where there is no suffering . Love, Chi Phoung.##imported-begin##robin carballo##imported-end##*
