“ I was saddened to learn of Jack's passing. I had the pleasure of knowing him only for a short time. Jack was a fine individual with a special passion for those who had served in the military and gave much of himself in assisting those individuals in need of special attention from veterans organizations. He will indeed be missed and become a part of good memories for a great many es- GI's and an example for those who follow him.
May God richly bless you of his family during this most difficult time##imported-begin##James T. (Tom) Hill, USAF

“ I am proud to call Jack my Friend and Comrade. There are far too few Jack's in our life. He has helped countless hundreds of veterans get their benefits. Jack always had time to listen, talk, advise, or just laugh. I will truly miss Jack's smile, grin, holding his finger to his lip, or holding his ear out to signal me to listen. My friend your struggle and suffering are over and God will comfort and look after you now. Thanks for passing along my way.##imported-begin##Lt. Col. Thomas R. Varnedoe II##imported-end##

“ Lee, You know what an impact Jack made on all of our lives let alone the lives of thousands of Disabled Vets in Georgia and around the country. His lagacy will live long after this point and well into the future, especially with you looking after it. He loved you very, very much and was so proud last year during Old Soldiers Day when he got to lay the wreath with you by his side,, like always, doing it together.

We love you Lee and will be with you from now on. Anytime you need us all you have to do it let us know and we'll be there ASAP!
