“ Andy was one of my dearest friends. I was in CA when I heard of his passing. I wish I could have attended his funeral. Would like to know where his memorial is so I can stop by when I'm in Atl. Lost track of Sharon his former wife as well. Please contact me if u know of his memorial location. Bill Bradford billbizdev@gmail.com

“ Dear Mr. Keith SR and family,
I was so saddened to learn yesterday of Andy's passing. My brother, Scott, and Andy played Roswell 120lb football together as kids (I was one of the cheerleaders). I have good memories of Andy. I am so sorry for your loss and your pain. My thoughts and prayers are with you all.--

“ I too have known Andy over 18 yrs thru Re/Max. We had offices next to each other for several years. He set the pace and I always tried to keep up with him and his success. In 1995 Andy and I shared top honors at the Atlanta Board Awards night when we both were honored for being in the Top 20 Agents. Andy was so excited because he found our pictures in the Business chonicle outside the banquet room, so we knew before it was announced. I loved to dance and so did Andy so we danced together at several awards events. We always laughed about the time he tried to slide me under his legs and dropped me on the floor. He will be missed. My prayers are for you his family that you will know he has found his place in heaven.##imported-begin##M.Jean Rogers##imported-end##

“ I'm thrown back to the time when my family moved to Roswell and my three children thought they would never make a new friend--not so --my boys, Matt and Chris met Andy,we lived around the corner on Oakstone. My thoughts and prayers for the family are heartfelt and warm. Andy is finally at peace.##imported-begin##Dorothy McDonald##imported-end##

“ I am still stunned to know you are gone. I met you almost 20 years ago when we moved to Georgia. I worked for you for nearly 4 of those years. Your laughter and sense of humor made the job fun although you were the toughest boss I ever had. I learned so much from you, which I will be forever grateful. My fondest memory was the enormous bouquet of flowers every secretary's day and birthday. The world is a better place because you were here.##imported-begin##Elisa Hembree##imported-end##

“ My maiden name is Heather Spurling (Sharon's sister). I did not think it was proper of me to come to the service. I wasn't sure how the family would feel if I came. I did want Jim and his family to know that I am so very saddened for your loss. I will pray for your family. I wish you all comfort in this time of sadness. Let me know if there is anything I can do.##imported-begin##Heather Fair##imported-end##

“ Andy and I started working in this crazy real estate business at the same office 20 some years ago. I remember his big smile and unlimited energy and also his kind spirit and easy going ways. We both dented each others car bumper a few months back, typical realtors - both of us on the cell phone, trying to buckle the seat belt and in reverse trying to back out of a parking space at the same time and then oops. Andy handled it graciously and we both went on to our appointments! It was always a pleasure to work with Andy. My family shares your sorrow and wish you comfort and peace during this sorrowful time.##imported-begin##Dawn McGee##imported-end##

“ *Knew Andy for 18 yrs.
Always talking in a joking manner except when it came to his profession.
He was very serious for his clients.
