“ All the fun times we shared as friends and family will never be forgotten. The trips... meals we shared when Lamar was alive and all the great times with the kids growing up was so much fun and exciting. These memories will keep you going through the years. What a great adventure your family shared... you have been blessed with wonderful children and grandchildren and your family will continue to grow and you will always have wonderful memories to share with each one of them. Boom was a great person, he loved his family, his friends and his country. Our prayers are always with you and the entire family.

“ Mrs. Dinsmore, Donna, Dyron, David, and Darrell, I am so sorry to hear about Boom Boom. He was such a sweet and special person as well as a terrific neighbor all those years ago on Cricket Lane. Even though we did not see each other often-he always had a sweet smile and huge hug for me when we did run into each other around town. I am sorry to say that I will not be able to attend the viewing or funeral as we now live in Florida. I wish I could be there to pay my respects. However you will be in my thoughts and prayers. I hope that your many wonderful memories of Boom Boom will help to carry you through this difficult time.

With love,

“ Dear ones. We wanted to let you know we are so sorry for your loss. James was a wonderful person. Your family has meant a great deal to my family growing up. Please know we will be praying for you. Mom and Dad (Charles and Elise Webb) would love to be there but Dad is unable to drive that far now. We are going out of town today or I would bring them to see you. May the Lord's love be with all of you. God bless you. Love -- Wanda##imported-begin##Wanda Webb Watkins##imported-end##

“ Lottie, I'm so sorry to hear about James' death. I remember James as being such a fun-loving person with a silly little smile on his face most all the time. From childhood I remember coming to visit Aunt Clara Mae and James coming in and out all the time. You know the "young teenage boy thing". My memories and pleasant thoughts will always remain with me. My sincere condolences to you and family during this time. I miss the good old days with all of you.
