Although I only met James a couple of times, I'll always remember his kind and gentle manner. In spite of only seeing him briefly, whenever Sybille and I got together he often sent a greeting through her. That small gesture made an impression on me and I know he will be greatly missed by Sybille and his friends and family. He has left behind a wonderful legacy.

Sorry to hear about James. We dealt with each other fairly often in real estate litigation matters years ago. James was knowledgeable, honorable, and a pleasure to work with.
