“ To Family of Norman Bramlett, First of all I was stunned to hear word about Norman's passing. Norman and I were neighborhood pals. I feel like I was at his house more than my own...always trying to invent and make something of interest. Our neighborhood became our school mates. We knew everybody. Norman was one of my best friends! Rest My Friend...To the Family, I know my words can't ease your pain, but I hope you know I am thinking of you. Please accept our most heartfelt and deepest condolences.
