“ *Linda, I know how much you loved your daddy and how it hurt to see him alone after your mama passed away. Now they are together again - Praise the Lord for the comfort in knowing that. He looked so forward to your phone calls and your tasty biscuits and home cooking when he was able to eat. Even though I never met him, I feel like I knew him. How blessed you Clark kids were to be raised in a Christian home, even grew up singing in church together. What your parents taught you about the Lord can be a comfort to you now. We have that blessed assurance that we will see our loved ones again in heaven. I'm always here if you need to talk or get together for a visit. I love you! Kaye*
