“ It's been almost a year since you went to live with our Lord. You have been thought of each day with love and we all cherish our own unique memories of you. I just want to say I love you and Happy Father's Day.

I'm sure you have greeted those that came after you. And you are happy to tell them how it all works.

I love you and miss you, Daddy.

“ *Dearest Little Sis*

The service was a wonderful tribute to Howell and the reception a fitting ending to summing up this wonderful man we all knew and loved. Now, your world is at peace knowing you stood faithfully by your husband in his greatest time of need. The time ahead will be lonesome but God will not make this unbearable. Instead it will be a time for new doors to be opened; new things to explore. He will certainly lead you on a new and inspiring path and best of all, no matter what lies ahead, you will always carry the wonderful memories of this great man. I love you Sis.##imported-begin##Myrna Faucette##imported-end##

“ Dear Beryl, Debbie, Diane, and Donna,

Words are certainly not adequate at a time such as this, but I did want each of you to know that I love you and have each one in my prayers and thoughts.

I always enjoyed visiting with your dad, he was so easy to talk with and had such a presence about him. You are going to miss him, yes, but God gives us all those "precious memories" to hold in our hearts and minds forever.

Each of you will be such strength for your precious mother. She is a rock! You all come from very good stock, on both sides, and I know you have loved and honored your parents through the good and bad times.

Beryl, I can't say I understand because I have not walked in the shoes you are now wearing, but I can say that the Lord will provide exactly what you need as you take this new journey in faith, without Howell. Please let yourself grieve, and don't apologize for any tears that may come. Tears are given to us by God to help relieve some of the pain you are feeling right now. Let others comfort and help you. You certainly have been a testimony to all who have come in contact with you over the past years as you cared for Howell in such a loving and special way.

Kenneth and I send our love and sympathy to you and we would love to help in any way you might need a hand.

*Love in Christ,
Shirley & Kenneth###imported-begin##Shirley C. Howell###imported-end##*
