“ *Some of my favorite memories of Jim was being a part a group of 8 to 10 guys, mostly from our church, who played golf every Tues. and Thur. at Browns Mill and Tup Holmes golf courses Getting down for an early tee off worked well for finishing just in time for some very delicious meals at S&S Cafeteria. They almost equaled some of the tales exchanged. Great fun, fellowship and (to hear it told) great golf. It was a privilege for me to be part of that group and I'll always remember great times Jim and we all had. Jim always had some interesting and funny stories to share. Blessings to his family.*
