“ My heart and prayers go out to all of the DeVore Family. James will be missed so much, he was one of the kindest, honest, most thoughtful person I ever knew, a wonderful sunday school teacher, his love for God and it all showed in him, as it shows in his family as well. I love all of you.

God Bless,

“ I love you all. Remembering slippery rock and all the stories my Uncle James loved to tell. Especially the one about Samantha (my youngest daughter) looking up into the sky (when seeing an airplane) and yelling, "hawk, hawk!" and I said we were getting her out of the woods just in time!! We loved living there, and all the memories!!!!##imported-begin##VICKIE (DEVORE)

“ *Philippians 1:3- I thank my God upon every remembrance of you,...James DeVore is one of those folk that you meet in your lifetime that all the memories you have of him are good. It was a great blessing to be able to work with him for a good while. I always knew he was a very giving person, but I found out when my wife and I were in the process of adopting our youngest child, how there was really no limit to his kindness. We were, as I said, in the process of adopting our youngest child. Although the paperwork and all of the red tape had been completed, there was still one small obstacle yet to be overcome, the child was in Texas! We didn't know exactly at the time how that was going to be worked out. I was talking to James about it one day, and without a second thought, he said, "we will drive you and your wife out there and get that baby"! Words can't describe how that touched my wife and I even to this day. I am so thankful that the Lord let my path cross with James. Thank you James for your friendship and fellowship.*
