“ James and I were friends when he was in college at UNC Chapel Hill. He was a great guy to be around, and I will never forget his favorite hobby in those days: he played Bass guitar, and got quite good at it. He got a very clear, precise tone...really distinctive, and could solo beautifully. He had an uplifting personality, a great smile, and liked a good laugh, but was also kind and thoughtful. He is much missed.

“ Sorry about your loss. I made a donation to Cleveland Clinic on your behalf. Sorry for your loss.
I have a daughter Alexandra Helena. Your grandmother Sack was a sister to my father Robert Pape who died in 1998. I think we have met in Florida...
