“ *I am shocked and saddened by Jim's death. He was such a wonderful family man who taught me so much as our General Contractor. Each time I sit in the room he added or on the patio he designed, I will think of him and our conversations :) He always had a kind word to say and became a dear friend who always put a smile on my face! One of my lasting memories was when he walked in our back door wearing a flowery Easter Bonnet he had made out of a shower cap :) Jim, Rest in peace and I will never forget you!*

“ I am so sorry for your loss.... I remember Jim coming into Silo's Grocery years ago when I worked there to gather with "the coffee club" each day. He was such a sweet person who always had something nice to say to people. He was a genuinely good person and friend... so good at heart.

There are no words to express my sorrow for your loss. Jim was not only a business associate of mine, but a good friend. Jim had been a great influence in my life and family for over 20 years. He has left me with wonderful memories. He will always remain close in my heart. My thoughts and prayers are with you.
