“ Jimmy was my mother's (Dorothy Scoggjns) cousin. He was always a joy to be around. My thoughts are with Pam, and if we had known that had Jimmy passed, we would have been there for her All of our love

“ Jim Stewart was a great man and friend. I met him @ The Department of Labor and became good friends with he & Margo. I enjoyed my frequent lunch dates with them and the get-together's @ their home. They taught my Sister Cindy & me how to make their famous orange muffins, which Jim enjoyed sharing with friends & co-workers. They had a Christmas Party each year for DOL friends and Jim continued the tradition after Margo's death. Jim always made sure he maintained frequent contact via email. There is now a big void in my life and I will miss him!

“ Pam and Hannah, I have been a friend of Jim's for almost 30 years, from the Roswell Church. I now live in Virginia, and we regularly sent emails back and forth - I got the last one from him early last week! He was a pleasure to know and a pleasure to work with doing 'media' things (video, audio and lights). I know you will both miss him, but he's smiling at Margo again! - Blessings, John Bradley

Jim was a good friend and he and Margo were next door neighbors for many years in the Woodsong area of Dunwoody. They were both kind and loving people---always helpful and friendly. Our deepest sympathy is extended to Pam and their entire family.
