“ *I have fond memories of working with Mr. Tarr at B-95, DoD. He was a fun-loving man with a cool sense of humor. My thoughts and prayers are with the family.##imported-begin##Ruth Talbot##imported-end##*

“ *I was indeed fortunate to have worked with Bob and considered him to be the epitomy of ethics and integrity. Bob always told you what you needed to hear, not what you wanted to hear - a rare commodity in todays world! He lived his life never compromising what he believed in and all who knew him mourn his passing. My deepest sympathy goes to his family. Doris Sciara##imported-begin##Doris Sciara##imported-end##*

“ *To the Tarr Family:*

We were very saddened to hear of Bob's death. He certainly will be missed. From the first time I met Bob at Cameron Station in 1968 until the last time I talked to him several months ago, I always considered Bob as a very dear friend. He always was upbeat and you certainly could count on him telling you exactly what he thought...sometimes in the choicest of words. I always knew that Bob enjoyed life and lived it the way he thought was best. He was an expert in Government Contract Administration and provided great guidance while still allowing and requiring his "people" to do their own "thing." I will miss the fact the Bob and I often talked about some of the early founders of the DCAS/DSA organization as we both were there in the "early" days. I know he especially enjoyed his recent years spending time with his grandkids and kids. Bob's entire family has our deepest sympathy. MIKE VEZEAU##imported-begin##Barbara and Michael F.
