“ *May you rest in peace Uncle Jim . Many memories of you through out my life . From my first Atlanta braves game to you driving everyone to Gatlinburg in your van when you all came to visit here . Not to mention you making those little cheese biscuits on the weekends that were such a treat when I stayed a summer at your house. I also experienced first hand what a wonderful endodontist you were. It was like second nature to you . I'm certain you were one of the finest . Prayers today for peace and comfort for all . You will always be remembered with loving thoughts and many happy memories.*

“ *Kim, Joe, Chris, Beverly, and family, I'm so very sorry to hear about the loss of your beloved father, husband, and Poppy. I have many fond memories of Dr. Tate at Florida State games and ski vacations at your beautiful place in Breckenridge. The sudden loss of Dr. Tate fills my heart with sadness. He was a big presence in this life, and will be deeply missed. May you find comfort in knowing that he is in the arms of our heavenly father, and is holding our sweet Ally angel in his. May your wonderful memories, and God's goodness and grace, bring you peace and comfort now, and in the days ahead.*

“ My deepest condolences to Beverly and family. I count it a privilege to get to know James and Beverly in the handful of years I've attended our church. It was always a special joy to see them both and I was blessed by the times we were able to visit together in our Sunday School class at FBA. A privilege indeed, as so many in our class felt the same. Jame's genuine smile, kind words and caring spirit showed his love for Jesus and others. I will truly miss him and the light of his joy and presence in our class. Cynthia
