“ I cant believe I have lost such a friend. I only knew James for a couple of years but certainly enjoyed being with him on our occasional fishin trips on the lake. Trips werent all that successful fish wise but they were always so peaceful and just fantastic days spent together. He use to laugh when I would try to back the trailer but I finally did it right the last time. Find us another fishin hole. God bless and miss you much!!##imported-begin##Tom Fortner##imported-end##

“ My mother and I were James' customers for over fifty years. We were happy when he retired and would be able to spend more time with his family and garden. We will miss him. We are so very sorry for your loss.##imported-begin##Maila Axelberg/Genevieve Scull##imported-end##
