Jack was a wonderful person and mentor on many life experiences. He taught me much about the hospitality business, as well as being a family like member. I will truly miss him as if being a member of his family as he so treated me as such. Thankyou for everything you have done for me. We at the Star Motel will truly miss him. From Larry,, The Lawrence Family, And Tenants. So long JJack, peace and love, you are moving truly towards eternity.

“ My dad was a man who taught us so many things including how to be spiritual, religious, love and care for family, build and maintain relationships, enjoy great life, travel (always with friends and family), watch favorite sport - cricket, how to be a business man and mentor others once you have success, do charity in various form, overcome fears, be willing to fail and try again and again, enjoy various types of food and above all how to pass on legacy for your family and generations to come. We love you and miss you dad.
