Our beloved mother, Jane Skeehan Matyniak, age 80, passed away peacefully on Sunday, June 9, 2024 in Roswell, Georgia.

“ It is with great sadness and shock to hear today of Janie’s passing. She was a beloved cousin of my late husband Beau Cairns and Janie and I talked sporadically on the phone these last few years having reconnected through FaceBook. I admired her energy and “joie de vivre”. My sincere condolences to her family especially her sisters Sally and Dana. In the years long past, we share great memories of family celebrations in Pittsburgh and Bethesda, MD. May Janie Rest In Peace.

Jane was my best friend all through college at Carnegie Tech. We were both Business Studies majors and were in the same classes so we spent most of every day together. We also were both commuters who lived at home so had that in common too. Jane was always ready for a good time and we shared many fun adventures together. I will miss her always and wish we had lived closer so we could have spent more time together after graduation. RIP dear Jane.

Jane was part of our bridge club here in our neighborhood in Vero Beach. She also shared our passion for jewelry design and she entrusted me to rework a precious string of pearls that Mike purchased for her decades ago. She always looked fabulous and all of us "bridge girls" admired her strength. We all miss her and we pray for her family for healing.

Your Lord has a special place for you, Jane. XO
