“ *I miss you so much, Jane. I will miss the long phone conversations! I loved the "just because" presents you sent me over the years---- the 70th anniversary edition of GWTW, and my Christmas moose, who still stands guard over my tree every year. You are well at last and creating a gourmet treat for all the angels in heaven!##imported-begin##Linda Boullard##imported-end##*

“ Dear Carolyn and Billy,  
I saw and spoke with Jane at Sarah Manning's 100th birthday party, and was amazed that she hadn't changed one whit after all the years of not seeing her. I'm absolutely sure Jane Burgess Rodgers met and hugged, for the longest time, Jane when she arrived at the pearly gates. I know heaven must be an even happier place this morning with both Jane and Jane being there !###imported-begin###Nan###imported-end##

“ *Billy,  
You really have my heartfelt sympathy in the loss of Jane. I have not seen her in years but always considered her part of my family.*

*There is not much one can say at a time like this; but I believe that being in the arms of Jesus is a great trade off from this world.*

*We love you guys.##imported-begin##Bill & Dolores Garrett##imported-end##*
