“ I broke my wrist many years ago while ice skating with the kids. I drove all of them home. Bobby was the last to be dropped off. He ran into house told Janet. She came to rescue . Brought all the kids to a very expecting Dorothy to take care of and get in touch with Bob. She then took me to hospital. Made sure I told the ER doctor everything. She thought I should . We were dear friends and had many good times together. She will always be in my memories Love You Janet. Heartfelt Sympathy to the family. 🙏❤️🌹
