“ *Dean, Janice has always been a lovely and special person to me! Janice and I started Grade School together back in the good old days at Northwestern Elementary School, then traveled onward to good old Milton High School where we made it thru to GRADUATED in 1955 and I went to work at Roswell Bank and so did Janice. I went from bank to bank and to my shame we lost contact with each other. I have been missing her at the 1955 Class Reunions. I am so sorry for your loss! You and your lovely family are already in my prayers. There is no void left in a persons life as when a soul mate goes onto their reward and leaves a spouse to carry on! Remember even tho Raymond and I were divorced when the Lord called him home. Our sons still needed their Mother. Remember there is no other way to find solace but thru JESUS CHRIST.*
