“ Jason was one of the best friends I've ever had, no matter what the distance between us was. Every compliment he ever gave me were the things i would hope the rest of the world saw me for. They didn't. But jason did. He was the most pure, loving soul and I don't know who i would be without the support he gave me. I only wish i could be sure he knows how much he means to me. Love you babe
