“ Marilyn,

*I just today (June 12, 2007) learned of Jay's death. I had lunch with an old IBM friend, Jack Houk, and he had read of Jay's death at the time. I am so sorry that I did not know until now, as I would surely have been there to remember Jay at his services. Jay and I were such good friends at IBM and I looked forward to seeing him again now that you had moved back to the Atlanta area.*
