“ To Jays Family; I was saddened deeply to learn of Jays passing. He wasn't what I call just a friend he was my buddy. We went to school together played little league baseball and even after we were grown I saw Jay around and would stop and talk as always shared a few laughs. He was the nicest guy you would ever want to know and I will miss him very much. All my family sends their condolences. ##imported-begin##Robert(Bob) Dailey##imported-end##

“ I am in shock over Jay's passing. My love goes out to Pam and Jake. I know Jake doesn't know me but I would like to tell him how kind, honest, and forgiving his father was. I've known Jay as long as I can remember. From the time I was old enough TOO remember. I can go back to when Bruce, Jimmy, Hans, Steven, and Randy Lance were always together. Fishing in the Taccoa, camping in Brookfield with Hans. Always playing pranks. just having a good time I will always remember Jay as a good friend, even though we went in two direction. Good Luck##imported-begin##scott castleberry##imported-end##

“ Dear Pam and Jake,  
We have known you two and Jay for ten years and it seems like a life time. I want you to know that my heart and prayers go out to you and Jake. We are right around the corner and will always be here for you. I pray for God's comforting blanket to wrap around the two of you during this time. I will always remember every time my car wouldn't start, I could always count on Jay to lend a helping hand, usually in the freezing cold. If for some reason I couldn't get Ashley to school, you both were always willing to take her to school. You both sincerely loved helping people in need. Jake, Ashley told me that she loves you like a brother that she never had. God is closest to you right now with his unfailing love. We love you! “ Jay and my brother Jimmy were close friends back in the day. I didn't hang out with them a lot since I was so much younger at that time, but the impression I got from Jay remains with me to this day. I remember him being extremely sweet, kind and generous and always ready to lend a helping hand when needed...a gentleman. He was kind to a friends younger sister when he really didn't have to be and I will always remember that. I know your hearts feel as though it may never be whole again, but take it from me...this is when you get to fill it back up with all the great memories...I know Jay will be sorely missed by everyone his life touched. My sincere condolences to all the family...Ms. Charlene and Brian.###imported-begin###Penny Waldrop Thomason###imported-end##
