“ I have known Mrs. Joiner for many years. Anytime there was a special occasion with family she was there. My last contact with her was at the Ne Atlanta Rehab(where I work). She was delightful and funny. One of her daughters were here everyday. They took such good care of their Mother. JACKIE one of her daughters has been a friend of mine since the 70's, I know all the family will miss her-but what wonderful memories they will have. What a wonderful family!!!
