

Mrs. Jean Sullivan Milner

November 20, 1933 - July 28, 2020

Jean Sullivan Milner passed away peacefully in her home in Mt. Dora, Florida on July 28, 2020. Jean was born in Atlanta, Georgia on November 20, 1933 to David Carl and Marie Cobb Sullivan. She was raised in Roswell and graduated from North Fulton High School in Atlanta. In 1953 she met and married her one true love, Willis Justus Milner III. Jean and Willis resided in both Atlanta and St. Simons Island, and in 1961 moved to Orlando where they raised their six children, later moving to Grand Island, FL. Jean was a homemaker who loved doing volunteer work at her church and Eustis Service League, was a great bridge player, was one of the best jitterbug/shag dancers in the south, loved singing (her high school choral group performed as far away as Cuba!), and loved gardening. But her greatest source of joy was her family. She is survived by her children Willis J. Milner IV (Ann Marie), Susan Dolan, Sarah May (Steve), Jean Seixas Milner, John G. Milner, and is pre-deceased by son David W. Milner (Luwana). Husband Willis died in 1977. She is pre-deceased by one grandson, Dustin G. Milner. She is survived by 15 grandchildren, 23 great-grandchildren, brothers David C. Sullivan (Joyce) and George Edward Sullivan (Beverly), and sister Susan Patricia Malatesta. Irma Jean was a devout Christian and a member of St. Andrew the Apostle Orthodox Church in Eustis. A private funeral will be held August 3 followed by a graveside service next week at the Old Roswell Cemetery in Georgia. In lieu of flowers, memorial donations may be made to the National COPD Foundation at copdfoundation.org. Memorial donations may also be made to

“ To “My” Milner family,
As I am reading this, and learning about David and Dustin, my heart is breaking.

My mind goes back to a long-ago time when life was simple and all we had on our minds were what to do for the day. Whether it was playing ball in the front yard, football in the vacant lot, riding go carts thru the vacant lots across the street, up to the clubhouse to swim, visiting all the babies in the neighborhood, the player piano, the crank phone calls, sleep overs, all the things that kids do. You are in most of my childhood memories, you were my 2nd family.

Time has gone by and memories fade, but when you take time to think back, it all comes back so vividly, like not much time has passed at all. You smile and shake your head, wondering where the time went. Then you realize all the crazy things you did as a kid and you shake your head some more.

Know that my thoughts are with each, and every one of you and wishing I could give all of you a great big hug. Love you all!!
