“ Jean and I had been working together for the past several months and I am deeply saddened by her loss. She was an amazingly intuitive woman who helped guide me. I will sorely miss our conversations and hope to continue the work that she and I began. For the project we weren't able to finish, Jean, I thank you for your help and guidance and I promise that I will continue and that I will finish.##imported-begin##Kathy Ann Johnson##imported-end##

“ Dear Dave & Nicole,
I am so very sorry to hear of Jean's passing. We have lost an excellent neighbor who was always soft spoken and pleasant. Her voice had such a calming effect. I always knew that if I needed something I could knock on her door and she would be glad to help me. She was a wonderful grandmother to Nicole's children and I would see her scurrying in or out of the house with them. Our neighborhood will not be the same. We will plan on being at the Memorial Service on Saturday. In the meantime please call us if you need anything.

“ Dear Family:

You don't know me, but I loved Jean. I always enjoyed having Jean in the audience, regardless of whether I was telling to children or adults. She always, and I mean always, had a smile on her face and a twinkle in her eyes. She also gave the best hugs. I am very shocked and saddened by her passing. Whenever I thought of Jean, I was so glad that she was in this world.

Sincerely,

“ *I regret that I did not know Jean, but I know she was active in Southern Order of Storytellers, an organization I helped found in the early 1980s. Anytime a storyteller "shifts gears" and passes into the next realm of being, it's a loss for those of us remaining.*

Jean and I are the same age, and that makes my appreciation of who she must have been even more acute.##imported-begin##Loralee Cooley##imported-end##
