“ Terry & Family: I have such wonderful memories of our 45 years of friendship and blended family times. Your Mom was special - strong, with a great sense of humor. She's at peace with the Lord and catching up on old times with the loved ones who have gone before. Our parents really loved and respected each other - and they are finally reunited. I'm sorry I can't be there with you at this time.  
Love,

“ I am a friend from down the street. Although I was much younger Jean helped me and comforted me in so many ways during some bad times for me. Jean was an angel, and she is flying with the heavenly angels now. My times talking with Jean on her front porch will be forever cherished. She was the mother I never had. Thanks you Jean, I love you.

“ It has been a most amazing year. Mom and I grew closer than I could have ever imagined. There were times of joy, tears, laughter and always a knowlege of life eternal. This great HOPE, gave Mom and myself the PEACE we needed to walk through this valley together.

I have been blessed in serving and caring for her. God gave me wisdom and strength and most of all amazing LOVE. I will praise His Name forever. "Absent from the body, but present with the Lord"- Mom has her new body and no more pain. For that I am thankful.

Let us all be JOYFUL, for she is in GLORY.

Love to all,

Terry###imported-begin###Terry Knauff###imported-end###
