“ *I worked with Jean at Safeco Insurance more than 40 years ago. We were good friends and even though I have not seen her in many years I still remember her friendly personality and many of our break time conversations. She was a number of years older than me and I valued her options and outlook on life. I remember how close she was to her Mother; she was always talking about her family and was never hesitant to share how much they meant to her. I send my heartfelt sympathy and know, like me, you will cherish your fond memories.*
