“ *Life would not have been the same for me, my parents and my six siblings without Jeanie Mae Scales in our lives...Jeanie, Johnny, Robby, Janet, Truett and Martha, since 1969, were like family to us all while growing up in Red Oak. We lived across the street and some of the best childhood memories that a man could ask for came from that family. My thoughts and prayers are with you Coach Scales and all of your kids. Blessings to you all with our sincere condolences. Love you all, Sam Disharoon*

“ I want to say that I am proud to have known Mrs Scales. She was a kind hearted woman with a good sense of humor...just like all her children, and her husband have.

My Mom and Jeanie became friends back in the late 70`s at the "Hospitality Swim Club". They enjoyed "giggling" with each other. Upon reading this page, I discovered that Jeanie, and my Mom shared the same Birthday (july 9th) and also the same middle name.....Mae ! I never knew that!

She was Blessed with a wonderful husband, Johnny, whom I always enjoyed being around! A great guy!

She also was the mother of four beautiful people! Four children whom she raised to be wonderful people and my friends! Her firstborn Rob was one of the best friends I have ever known. I still miss him dearly!

Jeanie is in the prescence of Our Lord now with a big smile....no pain, and she`s huggin on Rob again!

God Bless The Scales family! With Love , Tim McLinskey

Jeanie and I worked together at Southern Bell in East Point for many years. We had a great friendship at work and away from work as well. We laughed and joked around so much it is a miracle that we were both able to stay on our jobs to retire. We car-pooled together to take my son, Michael and Martha to school. Lately, whenever we would talk, one of us had trouble hearing and of course, we always blamed it on the phone. I will always cherish our long and loving friendship. Jeanie will be missed by me and so many other friends who loved her. Rest in peace with your loved ones you are now reunited with. Love you, and all your family, dear friends.
