“ *She welcomed me with open arms into the Friday Bridge Group at Rivermont and it will never be the same without her. I know she is with her beloved Bob and family but those of us who loved her will never cease to miss her. To her daughters, mothers are so special and she loved all of you so much. Nothing made her happier than time spent enjoying family events. We feel like we know all of you from the stories she told. Please know that she was greatly loved and will be greatly missed.*
