*Our thoughts and prayers are with you. Jeff was an amazing man and was always able to put a smile on my face just from entering the room. “ *Laury, Kristin and Ryan:*

*As have countless others, I have thought of you all so often over the last year. I can't even imagine the strength you have to pull from within to get through this hard time, but I hope and I pray that God will not only help keep you strong but also help bring you comfort - knowing Jeff is with him (even at this early age). I feel so lucky to have met and known Jeff over the last four years. He leaves behind a lot of fond memories to all who knew him and his no-fail attitude. My thoughts, love and wishes are with you and all of the extended family.*

“ Dear Laury, Kristin and Ryan,

*You are forever in our thoughts and prayers and we surround you with love as you walk through this painful time. Know how much we loved Jeff. I have such fond memories - Jeff in the yard, breathing in the fresh air, inspecting his garden, watching spring come . . . Jeff enjoyed the small things in life, cherished the beauty of this earth. He will be sorely missed. His memory leaves a legacy of love. Know how much we love you all.*

“ I have very vivid pictures of Jeff in my mind and they will always be there.

*The way he looked fighting the "Big Fish:" on our Florida trip.. His eagerly preparing and cooking the best fish dinner we all ever had. His joyful joking and laughing during the car drive. The proud look, when he talked about his wife Laury and children Ryan and Kristin. He will be missed very much and in our hearts always. Uncle Ron*

“ *Laury, Kristen, and Ryan,  
We are truly sorry for your loss. Jeff was an incredible person and you were blessed to have him in your lives. We will miss seeing him toil and labor to keep his beautiful lawn, and to see his bright and colorful lights during the Christmas season. Kristen and Ryan I hope that you will keep your fathers spirit alive by continuing this tradition. May all the memories you hold in your hearts give you peace during this difficult time. You are in our prayers.

“ Jeff:

*I regret that we didn't go thru CRHP together sooner so we could have met each other sooner & become great friends for a longer period of time. I feel jipped in that regard. I will miss you as I'm sure the rest of us in the SPC family will miss you. I never got to really meet Kristen but I'm sure if she's anything like you & Laury, she's a fine young woman & will keep her head on straight & will live up to all that you taught her. I was priviledged to get to know Ryan thru the Alive program @ SPC. I know that he is an incredible young man. When I read the tribute he wrote to you on Facebook to those who gathered to pray the rosary the night of your passing, it brought tears to most everyone's eyes.*

*Laury:*

*You've been with Jeff thru all of this. I love Jeff & will miss him. He is quite a man & I'm am proud to know him & call him my friend. You can count on all of us CRHP guys to be there for you & your family.*

*Love,*

“ I remember the first time I met Jeff. It was almost four years ago. He was visiting his folks in Long Island and drove them and his Aunt Dolores to Connecticut for his Uncle Ron's (my husband) surprise birthday party. Of course we were surprised to see him and everyone thought he was Ron's son, the resemblance was so uncanny! He was definitely one of the sweetest and nicest people I have ever met and he will be sorely missed by all those who knew and loved him. Lauri, I hope you and the children and the rest of Jeff's family can find comfort in knowing how special he was to all of us.

“ Laury:  
I just wanted you and the family to know how much Jeff meant to me. He was a true Mentor and Friend. I will never forget our conversations how bad the Red Sox are and how Good he thought the Yankees are. He is my shortstop on our softball team, which I played second base. I will never forget turning double plays with him on the playing field as well as learning from him in the business world.
