“ *My daddy was and still is a wonderful man. He and I have become so close over the past 12 years. We talked almost everyday and hung out a lot after I or off work and stuff. I love you and miss you very much daddy. I know your watching over me and making sure I'm safe. I wish you were still here with me but heaven gained a perfect angel but I wish he didn't have to be you. Granny Polly and papa jack, I know this is harder on y'all then it is on me because he was your son. I can't even begin to imagine the pain and heartache y'all ate going thru. I love you both very much. Daddy is watching over all of us!!! He is in a much much better place. He's not hurting anymore.##imported-begin##Rebecca Leann Thompson Frith##imported-end##*
