

Jen-i Marie DeBetta

November 22, 1968 - January 1, 2023

The world became brighter on November 22, 1968, when Jen-i Marie Sikorski was born. It is with deep sorrow and much love that we mourn her passing. Jen-i departed this earth on

January 1, 2023, at her home in Marietta, Georgia, at the age of 54. She was surrounded by her

loved ones. Jen-i is survived by her beloved children, Carson DeBetta, Christian DeBetta, Caleb

DeBetta and Chloe DeBetta as well as by her mother, Julia Duggar, father, Stan (Karen)

Sikorski and Grandmother, Sophie Esposito. Jen-i will be missed by her dear aunts, cousins and many friends.

Jen-i was born in Brooklyn and graduated from Huntington High School in New York. She

attended college at the University of Georgia where she earned a Bachelor's degree and was a

member of the Delta Gamma Sorority. She later received a Master of Business Degree from

Long Island University Post and navigated a varied career in sales and entrepreneurship. Jen-i

was a practicing Catholic who was an active member of the church and taught

in the St. Peter

Chanel Parish School of Religion.

Jen-i's greatest achievement and purpose in life was being a mother. She adored her children and devoted herself to raising them. Jen-i believed in the joy and magic of life. She shared that with her children both through ordinary pleasures and by taking them on many adventures including trips to some of her favorite places. Her beautiful spirit will live on through them.

A funeral mass will be held at St. Peter Chanel Catholic Church in Roswell on Friday, January

20, 2023 at 10:30. This will be followed by a light reception in the church hall.

In lieu of flowers

donations can be made to a Go Fund Me established to help provide for her children.

“ I first met Jen-i and her beautiful family about nine years ago. I am the secretary at the elementary school where her children attended. With Jen-i's friendly, sweet and kind spirit, we quickly became friends.

I have always admired Jen-i for her kindness, strength, dignity and optimism throughout our friendship. Jen-i had such a busy life but several times I could talk her into a walk or a hike and those were always such wonderful times. Our first real hike outside of walking in the neighborhood was at KN Mtn. and she hiked 10 miles with me! It was such a great day!

Honestly, I think she is one of the kindest people I've ever met. Before I married 5 years ago, she insisted that we meet for dinner. At dinner, she handed me a beautiful bracelet with blue in it and told me I had to have something blue. I will cherish that bracelet always!

When I broke my ankle, she brought me stuff at my house. She was always so giving! I never could understand why she wouldn't want to talk about herself but she always wanted to hear about my life. I realize now it's because she just cared that much and her focus was never on herself!

Our last hike was on 2/10/22 and I recall her saying as she always did, "We are going to start hiking more . . . I promise."

My desire is to convey to the family what a unique, special soul she was and how much I loved her and will miss her. A beautiful light has left this world.

Please know that my prayers are with the family each and every day.

Love,

Ms. Robin
