“ *Dear friends.*

I was so sorry to hear about the loss of sweet Jennifer. Gerald and I were out of town when Franklin texted me. Please know how very special all of you are to me and were to Mother and Daddy. All of our neighbors on Brooke Street were like family to us.

I know you are comforted that she and Dorris are together in the presence of our Lord.

Jennifer always lite up a room with her sweet smile.

We are praying and will continue to pray for you.

With love -- Gerald and Wanda (Webb) Watkins

“ *My dear Hilda, Sandra and Wes.
I'm so very sorry to hear of the loss of your precious darling
Jennifer.*

*When I read the obituary, I felt your grief, but then thought that for
seven days
now, without a doubt ... she's with her beloved dad ... (and her
precious little dog) again, and I bet there's a new bright twinkling
star in the evening sky, sending a signal directly from them to you
each evening ... letting you all know that it's very beautiful where
they are and that they'll never stop talking to you during quiet times
... and that they're having the best time being together again,
hugging
constantly, and that they love you more than words can express !*

God bless you all.

*With love
NAN*
