“ I am just completely saddened to hear the news. I knew Jen back in elementary school. We had lost touch over the years, but she always held such a special place in my heart. I am overcome with tears hearing about the pain she must have been feeling. My love and prayers go out to her family.

I will always remember her as an adventurous and loving spirit. Every so often my mom will ask if I have heard from Jen. I always tell her "not yet, but some day our paths will cross again". I truly believed that they would.##imported-begin##Mike Marquard##imported-end##

“ *Dear Miles and Mr and Mrs Horst...*

I was a client of Jen's for many years and was lucky enough to have that blossom into a friendship. We were blessed to be at your wedding and to have you as a guest at our daughter's wedding a few months later.

All our conversations were about our families...how much she loved you all..I last spoke with her in November and again, it was about how much she loved you all...she was a lovely, sweet and caring woman but you know that.

Please know that we are embracing you with our thoughts and prayers...

“ Miles my thoughts and prayers go out to you and your family. Jen was so unbelievably warm, talented, sweet, and kind. Her light was contagious. I know God will bless and keep her.

*"God, make me brave for life: oh, braver than this.
Let me straighten after pain, as a tree straightens after rain,
Shining and lovely again.
God, make me brave for life; much braver than this.
As the blown grass lifts, let me rise
From sorrow with quiet eyes,
Knowing Thy way is wise.
God, make me brave, life brings
Such blinding things.
Help me to see in dead of night
That out of darkness comes light."###imported-begin###Kayla

I will always remember how strong and compassionate you were.
Always present in body and spirit for the good times and the bad.
You were so supportive to each person you touched with your friendship and love. Knowing how much you loved and how much you are loved, thinking of you feeling any different breaks my heart.
You had to leave us here on earth, but I know we will meet again.
Until then, I will always remember your sparkling eyes, and your lovely smile. Miles and family, I hope you know, and believe that she loved you all with all of her heart.###imported-begin##Sara perry###imported-end##
