“ Zarya & family, I want you to know that you are in my heart and in my prayers during this very difficult time. I know that mom was an angel, as I have had the pleasure to work with and become friends with Zarya over the past 20+ years. I've also met some additional angels in her other children and her grandchildren. Mom has left us with an amazing legacy, which we can see the fruits of her labor through her beautiful children. You are each a valued treasure representing moms legacy. I know that she is so very proud of you. I am praying that you are comforted in all the fond memories you have with mom.

*My Sincere Condolences,
