“ *Our brother-in-law, Jerry, was more like a brother. When Sherry and he were dating back in the 70's there was an immediate bond. We all became family. As our families grew and sometimes the responsibilities were great; we became even closer. We helped each other out like good families pull together to do. Jerry was always there. He loved God, his wife, his children, grandchildren, family and friends. I heard a preacher say once, "You can't get into heaven unless you love people. You sometimes won't like them but you gotta forgive and love them as God loves us unconditionally." Jerry did that. Our families spent so much time together - the birth of each of our children, every holiday, wedding, birthday, family reunion, family visits, etc.. Almost once a week we'd eat together at either Cracker Barrel, Sonny's or Family Traditions and we would share our troubles and solve the world's problems. As we go forward with our lives missing our loved ones; we are thankful for the memories. As we rely on God, family and friends and journey on we know Jerry will never be forgotten. Jesus said in John 14:27 "Peace I leave with you, my peace I give unto you not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid." As we know God cannot lie we will draw upon His promises, strength, peace, comfort and love until we all are joined together again.*
