February 19, 1961 - November 29, 2021

Jerry Stidham, age 60, of Alpharetta, GA passed away on November 29, 2021 after being diagnosed with esophageal cancer. However, he never let the diagnosis take away his smile or his positive attitude towards life.

Jerry was a loving husband, dad and grandfather. He cared deeply about his family and enjoyed spending time with his four grandkids, whom all adored him deeply. He had a passion for cooking and loved making meals for his family. He enjoyed traveling and camping with his wife and loved visiting the Smokey Mountains and the beach. He was always building or fixing something and continually had a new project he was working on. He was a generous soul who always had a smile on his face.

“ Caroline and family,  
My heart aches of this news. Jerry was one of the kindest men I've ever known. He always went out of his way to help others. His smile brightened any room he was in. His legacy carries on in his beautiful children and grandchildren. I pray your hearts heal and let the wonderful memories carry you. With all my love, Donna Pappe

“ Our son-in-law, Jerry was such a generous man - always willing to help us and as we look around it seems as though our home exists because of all his work to make us comfortable. Not only generous but kind, sympathetic, and cheerful no matter what we asked of him.

He was not only a great son-in-law, but a good provider, husband, father, and grandfather and we all depended on him, not only for assistance but for words of reassurance and encouragement when our problems seemed overwhelming. We will miss his steady support. We will miss him a lot. We miss you, Jerry.

“ Jerry was amazing -- so generous, ready, able and willing. And modest, too. I was fascinated by Jerry's career as an airplane mechanic with UPS. He knew those planes inside and out and could do anything that needed doing. So long, Jerry. You were a great human being and I am very happy to have known you.

“ We loved our sweet brother-in-law so much. He was so kind and caring and always had a smile on his face. We have so many wonderful memories of vacations and visits with him. And he loved to cook and remodel. He didn't like to be still for long. He was so kind hearted and loved and adored his family. He was a rare light and there will be now a gap in our lives. He will always be in our hearts. Ben and Miriam Kelmers
