“ Pat! I am very sorry for your loss. My prayers are with you and your family. I will never forget Jerry. He was a great person to work with. He taught me a lot not only with work but life itself. I know that he loved his family very much. I heard many stories about the grandkids. We had a lot of good times together over the years that he worked with us. We spent a lot of time talking about fishing and I was even privileged to go to Florida with him a few times. We all miss him but he is in a better place now. He is in a place I long to be. Always remember You will see him again. I am praying for you and your family. Anthony Brady##imported-begin##Anthony Brady##imported-end##
