Joan Bishop McCulloch of Alpharetta, Georgia died on September 28th, 2021 in Northside, Cherokee Hospital. After fighting for months with infections and kidney failure, she was admitted with complications and her body could no longer fight. She died unexpectedly but peacefully. Joan will be greatly missed by her family and friends.

Joan was born in Brooklyn, New York to loving parents Mary Agnes and George Herbert Bishop. She loved growing up in New York. We often visited and attended Broadway shows. Her secret dream was to be a dancer, mostly a Rockette! She worked as a Legal Assistant for 36 years in Atlanta, Georgia. When she retired she cherished spending time with her family and friends and her passion was playing Bridge and Mah-Jongg each week.

Joan was the oldest of four children. She was predeceased by her brothers, George and John Bishop and is survived by her sister Mary Keown (Mike).

Joan had four children and was predeceased by her son Michael McCulloch and Kathleen McCulloch Eure. She is survived by her son Kevin McCulloch (Aileen), and daughter Tricia McCulloch Christian (Beau) and Son in Law Harvey Eure. She had 7 Grandchildren, Megan Eure Roebuck (Steven), Kristen Eure Preissner (Shawn), Andrew McCulloch, Brittany Christian Duncan (David), Jennifer Eure, Katie McCulloch Urtz (Logan) and Philip

Christian. One of her biggest joys was having three great grandchildren, Teddy Duncan, Lilah Duncan and Parker Preissner.

Due to continued COVID concerns, the family will hold a memorial at a later date.

In Lieu of flowers, Joan would love donations to the ASPCA or any local Humane Society, which she faithfully donated to each month.

“ *I am so saddened by the loss of a very dear friend. Joan was my first friend when I moved to Atlanta in 1980. She also interviewed me for my first job in Atlanta. We worked together and became fast friends. Joan had such a big heart and I loved her laugh. We spent a lot of time together and I was fortunate to get to know her family through family holiday dinners and special occasions. She was truly blessed with a beautiful family. We had a lot of fun times, we enjoyed our Mexican and Italian dinners, dancing the night away at Johnny's Hideaway, even a cruise with our good friend Anita. My heartfelt condolences to Joan's family. I will miss her and cherish fond memories. Rest in peace my dear friend ❤️*

I was so sorry to hear about Joan's passing. I worked with Joan for years at PHRD and we talked so much about our families and our family gatherings. She loved and was so proud of her family. Joan and I along with another co-worker would watch the Bachelor on Monday evenings and text each other about what was happening and then we would talk about it on Tuesday morning. I will always remember those times. Rest well Joan.
