“ John and I met at Alpharetta Elementary School and were friends all the way through high school. We were both in choir together and our birthday's were 6 days apart. I will never forget the impact he made on my life even tho we lost touch after high school. RIP my friend

“ We are so saddened by news of Johannes. He spent a lot of time at our home when he was at Milton with our son Jay. We loved Joe, always funny and sweet.
