“ *Barnett family,
My name is James Zanatta, I have never Personally met Gary face to face but have spoken to him several times over the phone. The first time I spoke with Gary I felt like I was speaking with a family member his sincerity was true and I picked that up very soon in our conversation. Gary helped me close a long chapter in my life. Which allowed me to open a new journey. So with that I say, Thank you Gary, for your sincerity and honesty. God Bless you and the Barnett family.*
James.

I will dito what James said. I never physically met Gary but spoke with him numerous times and with his mentorship began my commercial lending career. It was obvious from the start that Gary was "good people". Rest in peace Gary and may God lay His hand on the Barnett family during these difficult times.

“ *I treasure the many years we went to Gatlinburg as a family. So many memories. Then there were the two different years we went to Wyoming. What a special time. Will cherish them always.*
