“ *To me my Grandpa was a super hero. He loved and I loved him. I still tell some of the corny jokes he used to tell me as a kid and Yes Grandpa I still call it my five head. He used to push me around in what he called a pasteboard box and for our birthdays we could go to Kmart and spend \$25. We thought we were rich. He got to meet my oldest son and my daughter (who he insisted on calling her by her middle name Elizabeth, because Riley was a boys name). He was a character and will always be loved and missed*
